

Parking Permit Registration

As part of your move-in process, we are issuing parking permits to each registered vehicle. As soon as decals have been issued, parking will be monitored at all times.

Unauthorized vehicles may be asked to move if they prohibit a tenant from having a parking space. Unauthorized vehicles may be towed at any time if the owner of the vehicle cannot be located. We reserve the right to tow any unauthorized or improperly parked vehicle without notifying or attempting to notify the owner of the vehicle. This includes, but is not limited to, towing of any vehicle improperly parked, out of service vehicles, or long-term or short-term visitors without a property issued parking decal. The right to tow or remove any vehicle from the property is held solely by property management. By signing below, I accept full responsibility of this agreement and any actions taken by Grandview Pointe Apartments or myself.

Name: _____ Apt #: _____ Phone #: _____

Vehicle Make/Model: _____ Color: _____ Year: _____

License Plate #: _____ State: _____

Registered To: _____ Parking Decal #: _____
